Subject: **Request for quotation**

Dear Sir/Madam,

We would like to request a **quotation for expert services in the framework of the eDigiStars project**.

The technical content of the expert services is described in the attached sample quotation.

Please complete the attached sample and send it electronically (by e-mail) to **7th June 2022 at the latest**. Please send the completed, duly signed and scanned proposal to innoskart@innoskart.hu (please indicate in the subject line of the e-mail "**proposal for expert services in the framework of the eDigiStars project**").

Please note that the proposed activity is funded under the European Union's Danube Transnational Programme, subject to the following binding conditions and principles:

- type of procedure: tender procedure;
- conflict of interest: there must be no direct or indirect economic, family or financial links between the contracting authority and the tenderer, nor any economic interest between them;
- transparency and fairness of competition: the procurement procedure must be open and transparent;
- conformity with the market price: the tender must come from a potential economic operator and the price quoted must be in line with the normal price for the service in question;
- evaluation criteria: the decision to award the contract is based on the lowest price or best value for money principle, taking into account the price levels available on the market;
- evaluation: the official representative of the contracting authority and the project manager will evaluate the tenders and take the decision;
- decision and award of contract: in view of the estimated value, the successful tenderer will be awarded a contract, a draft of which will be sent with the request for tender;

Székesfehérvár, 1st of June 2022

Best regards,

.....
